Employee FAQ — Common Questions

Quick answers to the questions HR and IT receive most often. For full policy detail, refer to the linked policy document.

1. HR & Benefits

- “How many leave days do I get?” — See the Employee Leave Policy; entitlement varies by leave type and tenure.
- “How do I enroll in benefits?” — Annual open enrollment is announced via email each year; changes outside that window require a qualifying life event.
- “Who do I contact about a payslip issue?” — payroll@northwindanalytics.example.com.

2. IT & Access

- “How do I reset my password?” — Self-service password reset is available at reset.northwindanalytics.internal, or contact the IT Helpdesk.
- “Can I use my personal phone for work email?” — Yes, if enrolled in MDM per the BYOD Policy.
- “Who do I contact if the ERP system is down?” — Check the IT status page first; if not listed, log a P1/P2 ticket per the IT Support Service Catalog.

3. Manufacturing-Specific

- “Where do I report a safety concern on the floor?” — Your shift supervisor immediately, or the Safety Hotline; see the Facility & Office Safety SOP.
- “How do shift swaps work?” — Coordinated through your shift supervisor at least 48 hours in advance where possible.

4. General

- “How do I refer a candidate?” — See the Employee Referral Program Policy.
- “Where do I raise a workplace concern?” — See the Grievance Redressal Policy or, for ethics/compliance matters, the Whistleblower Policy.
